

5. The amount of the bond which was approved in Paul W. Leathe, et al. Substitute Trustees, No. 25,491 Equity in the Circuit Court for Frederick County, Maryland, provides a precedent for the granting of the relief sought by this Petition. In that case the Court, on a similar petition, approved a bond in the amount of .5% of the mortgage debt.

WHEREFORE Petitioners pray that the Court may fix the amount of bond initially to be filed in this proceeding at \$15,000.00, or such other figure as shall appear reasonable and proper to the Court, subject, however, to such further order as this Court may make regarding increase or decrease in the penalty of the bond.
